Chapter CA-1R – “Seals” (*Friends for Fun, Safety & Knowledge*)

We gather on the 1st Sunday of each month: 7:30 am Breakfast/Social, 8:00 am Fun/Info
[Mimi's Café](#) , 4030 Barranca Pkwy., Irvine.

Hi friends, time for another Chapter Newsletter.

We had a good chapter meeting this past Sunday. Lots of activity and smiling faces. We had a new couple join in the fun, Ed and Susan Palaoro, who are past STAR members and now ride Goldwings. Welcome aboard.

I mentioned at the meeting that there are changes coming to AAA insurance for those who are members. This will take effect when you renew. Basically, the Auto Club will pay up to \$500 toward services per allowable motorcycle service call, up to \$1000 total per household per membership year. Members will be responsible for all other costs of service above that amount.

Although we had a little hiccup on the date for the Feb. 19th dinner at the Big Wok, we had a good turnout and a very good meal. It was a Mongolian barbecue dinner where you pick out what you want in your meal and then give it to the cooks who cook your meal on a big hot surface. Mine was delicious. (Photo below)

We're looking forward to BBQ at the Wood Ranch BBQ at the Irvine Spectrum on March 25 at 6:30 p.m. , link is below. Hope to see you all there.

Come join the fun at some of the other chapters by attending their rallies. There are several coming up and their flyers are linked below. You'll never know what fun you will miss out on if you don't go. Think of the friends you'll meet and the past friends you'll get to see again, and good food too.

There was mention at the meeting that we post who's attending upcoming rallies so that we can ride together or caravan. That's a good idea. There were several expressing their interest in going to the San Diego chapter rally on March 14. I'm planning on riding my bike. Several others are carpooling. If you are planning on attending, just [click this link](#) and I'll get your name out to the chapter so that others can hook up with you. Thanks.

.....

A fella was in the drive through at McDonalds when a person behind him got impatient and honked the horn a couple of times. When he got to the pay window, he paid for his meal and for the person behind him. He figured the person would feel embarrassed for being so pushy. When he got to the delivery window, he took his meal and showed the attendant his receipts for his meal and the meal of the person behind him and of course the clerk gave him the meal since he paid

for it. He then drove off with both meals. He figured that now the pushy person would have to go through the line again to get their meal. Don't be pushy.
