Chapter CA-1R – “Seals” (*Friends for Fun, Safety & Knowledge*)

We gather on the 1st Sunday of each month: 7:30 am Breakfast/Social, 8:00 am Fun/Info
[Mimi's Café](#) , 4030 Barranca Pkwy., Irvine. **CANCELLED UNTIL FURTHER NOTICE**

Greetings fellow seals!

Greetings fellow Seals! Spring has sprung and warmer weather is here. Things are beginning to loosen up with things opening almost every new day. Tom Lorenz and I went to Chapter F's rally on the 20th, down in Potrero. After we got done with the freeway portion of the trip, it was a lovely ride and a good time was had by all. They had a nice turn out, with participation from many chapters.

We are still looking into getting back together for a normal chapter gathering. As new news develops, I'll keep everyone informed. As the weather improves, I hope everyone limbers up and gets out and rides. Ride safely, and with the change in weather don't forget to drink plenty of water to keep hydrated!

Don't forget the dinner gathering at Buon Gusto on Tuesday April 13th at 6:30. Hope to see you all there!

Funny!!

It was a warm, sunny day when four high school kids thought it would be a good idea to skip school and head for the beach. They knew that a math test was scheduled for that day so they called their instructor and told him that their car had a flat tire, and would it be ok if they made up the exam the following day. The instructor told them that he was understanding their situation and that things happen, so he agreed to allow them to take the exam the following day.

On the following day, the four arrived at the classroom to take the exam. The instructor placed each of them in separate rooms and handed them the exam question sheet. There were only two questions. The first question was worth 5% of the grade and the second 95%. The first question was "What is $5 \times 5 - 3$." The second question was "Which tire was flat?"
